

FSRM course "Cantilever based Sensors for Nanoscience"

Veranstaltung - FSRM course "Cantilever based Sensors for Nanoscience"

Titel	FSRM course "Cantilever based Sensors for Nanoscience"
Wann	Fr, 21. Oktober 2011

Beschreibung

FSRM course "Cantilever based Sensors for Nanoscience"

- Introduction to AFM Principles
- Basics of Cantilever and Tip Technology
- Cantilever Production Technologies
(Passive cantilevers, Self sensing cantilevers, Self actuated cantilevers, High speed AFM cantilevers)
- Potential Future Applications
- Market Outlook
