

MNE 2012 - 38th International Micro & Nano Engineering Conference

Veranstaltung - MNE 2012 - 38th International Micro & Nano Engineering Conference

Titel	MNE 2012 - 38th International Micro & Nano Engineering Conference
Wann	So, 16. September 2012 - Do, 20. September 2012

Beschreibung

MNE 2012 - 38th International Micro & Nano Engineering Conference

The MNE Conference focuses on micro and nano-fabrication and manufacturing using lithography and other nano-patterning related approaches.

The Conference brings together engineers and scientists from all over the world to discuss recent progress and future trends in the fabrication, manufacturing and application of micro and nano-structures and devices.

MNE is the first international micro-nanotechnology Conference in Europe on following subjects:

1. Micro and Nanolithography
2. Micro and Nanofabrication/Micro and Nanoengineering
3. Micro and Nano Systems
4. Micro and Nano Devices and Systems for Biology, Chemistry and Medicine
