

International Conference on Metallurgical Coatings and Thin Films (ICMCTF)

Veranstaltung - International Conference on Metallurgical Coatings and Thin Films (ICMCTF)

Titel	International Conference on Metallurgical Coatings and Thin Films (ICMCTF)
Wann	So, 26. April 2020 - Fr, 1. Mai 2020

Beschreibung

International Conference on Metallurgical Coatings and Thin Films (ICMCTF)

The International Conference on Metallurgical Coatings and Thin Films (ICMCTF) is a international conference on thin film deposition, characterization, and advanced surface engineering. It provides a forum and networking venue for scientists, engineers, and technologists from academia, government laboratories, and industry.
