Dear Ladies and Gentlemen,

the CC UPOB postpones the conference HLEM 2020 due to the current developments around Covid-19 (Coronavirus), originally planned from 17th to 19th March 2020, to a later date.

Both the management of our host at PTB and the board of CC UPOB e.V. have assessed the current situation and are forced to postpone the event to a later date.

In this context, your health is particularly important to us!

Furthermore we are currently no longer allowed to receive all registered people here which would lead to disadvantage.

That is why we will now continue to monitor current developments and set a new date. The prepared lectures and the measurements carried out were by no means in vain!

We'll see you again in spring 2021 at the latest!

We ask for your understanding!

Sincerely yours

Heiko Klawitter

Sehr geehrte Damen und Herren,

das CC UPOB verschiebt aufgrund der aktuellen Entwicklungen rund um Covid-19 (Coronavirus) die Konferenz HLEM 2020, ursprünglich geplant vom 17.-19. März 2020, auf einen späteren Termin.

Sowohl das Management unseres Gastgebers der PTB, als auch der Vorstand des CC UPOB e.V. haben die aktuelle Lage bewertet und sehen uns gezwungen, die Veranstaltung auf einen späteren Zeitpunkt zu verschieben.

Dabei ist uns insbesondere Ihre Gesundheit wichtig!

Ferner dürfen wir aktuell bereits nicht mehr alle angemeldeten Personen hier empfangen, was zu einer Benachteiligung führen würde.

Deshalb werden wir nun die aktuellen Entwicklungen weiter beobachten und einen neuen Termin festlegen. Die vorbereiteten Vorträge und die durchgeführten Messungen waren aber keineswegs umsonst! Spätestens im Frühling 2021 sehen wir uns wieder!

Wir bitten um Ihr Verständnis!

Mit freundlichen Grüßen
